

# Aide Supports Through FSCD

In addition to FSCD family support services, respite services, and child care support, families may have access to different aide supports, based on the specific needs of the child.

## Community Aide

Assists the child to participate in community programs.

## Behavioural Aide

Provides support to address behavioural needs and goals.

## Developmental Aide

Addresses developmental needs and goals.

## Personal Care Aide

Provides personal care and hygiene supports, as well as health-related support.
